

First Meeting of the SWCS Student Chapter

Calling all nature enthusiasts and conservation champions! We're looking to start an SWCS Student Chapter on campus, and we need your help.

Why Attend?

Discover how you can make a tangible impact on local conservation challenges! This meeting is your gateway to networking with fellow conservationists, gaining leadership skills, and engaging in meaningful initiatives. **Plus we'll have pizza!**

Who Should Attend?

- Students with a passion for conservation
- Majors in environmental science, biology, soil science, conservation, civil engineering, geology and related fields
- Anyone interested in making a difference in their community and beyond

What to Expect

Get ready for an exciting session where we'll delve into

- Discussions on pressing environmental issues in our area
- Opportunities for hands-on involvement in impactful projects
- Networking with like-minded peers and professionals

Already part of an existing environmental club? Let's collaborate!

Join Us!

 **Date:** Monday, September 25, 2023

 **Time:** 5 to 6 p.m.

 **Location:** Student Union Room 101

Embrace your passion for conservation, meet fellow advocates, and leave inspired to take meaningful actions. Let's together pave the way for a greener future!
